## ABOUT US

National Research Consultancy was established in the year 2015 in the industrial beehive of Tamilnadu, Coimbatore. We have steadily expanded our network throughout the country. At present we have clients from all states of the country and few foreign countries. We have an expert team consist of doctorates from all disciplines. Our team members are expert in their respective discipline. We have an exclusive team for content developing and proof reading. Till now, we have successfully completed around 500 theses. We have also done proof reading, content developing and plagiarism removal for more than 1000 thesis across various disciplines. We leave no single stone unturned in our operations that we do work for Engineering, Arts, Commerce, Management, Science, Humanities, Social Sciences, and Technology. We also help to publish quality research paper and books. Our Operations starts right from PG project till Post- Doctoral Research.
